Rio de Janeiro and Manaus

In Rio, beauty is reborn every morning with the sun revealing the panorama of this special city planted between the sea and the mountains. That's why they call it "The Marvelous City", the perfect title for an extraordinary place. Rio de Janeiro is a city with a lot of charm: the charm of its beaches and its sea; the charm of its islands, forests and mountains; the charm of the people, kissed by the sun that shines year-round. On the other hand, with an excellent variety of tourist services, Manaus is the perfect starting point for expeditions through the jungle and along the largest river in the world. If you imagined that on your trip to the Amazon you would only see miles and miles of uninhabited areas, dense with vegetation and wildlife, you will be surprised when you arrive to this city, full of tall buildings, luxurious hotels, modern infrastructure and a busy free economic zone.
