Flight departure from the city of origin to Dubrovnik.

Arrival and rental car pick-up.

Known as the "Pearl of the Adriatic" and declared a World Heritage Site by UNESCO, it is one of the most impressive cities in the country.

History, culture, cuisine, nature... There are a multitude of reasons that have made the walled city of Dubrovnik, a UNESCO World Heritage Site, one of the most desirable tourist destinations in the world. Marvel at its incredible Baroque old town, one of the most beautiful in Europe; its emblematic walls; its historical and cultural importance; the extraordinary landscapes that surround the city; its many international music and theatre festivals; its cultural events; and its unmistakable spirit... No matter what time of year you visit, the city will always exceed your expectations. A key location for the famous series "Game of Thrones", the Croatian city seduces even the most experienced traveller with its inexhaustible energy, its warm Mediterranean climate and its monuments designed by architects and artists alike...

Overnight stay in Dubrovnik.

DAY 2 · DUBROVNIK (CROATIA) - POČITELJ - MOSTAR (BOSNIA-HERZEGOVINA)

Today we can continue discovering the charms of Dubrovnik. Late in the morning, more or less, we'll set off for Metković, passing through the town of Neum and along the delta of the River Neretva. It's about a 95-kilometre drive. After crossing the border, we'll keep going until Počitelj, where we recommend a stop to see this typical village founded by a colony of artists and constructed during the Ottoman Empire. (Note: Although Metković and Počitelj are about 16 kilometres apart, remember that the border crossing will add some more time to your trip). Our next stop will be Mostar, the most important city in Herzegovina. We suggest leisurely exploring this city that straddles two cultures, East and West, with its narrow streets, markets and temples reflecting different cultures and religions. The name Mostar comes from the combination of most (bridge) and stari (ancient), in honour of the emblematic bridge that links the two parts of the city divided by the River Neretva and which was destroyed in the tragic Balkan War. From the bridge reconstructed after the conflict, you can admire stunning views of the entire Stari Grad, the oldest part of the city. Today, this bridge symbolises reconciliation and human solidarity, which is why it has been declared a UNESCO World Heritage Site. The mark left in this city by the war can still be seen today. A ten-minute walk from the Stari Most will take you to Spanski Trg, a square built in honour of the military forces deployed in the area and which is dominated by a monument bearing the names of Spanish soldiers killed during the conflict. As night falls, the image of the Stari Most and its two sparkling towers is magical. Enjoy the views while savouring the very affordable local cuisine. Overnight stay in Mostar.

DAY 3 · MOSTAR - MEDJUGORJE (BOSNIA-HERZEGOVINA) - PLITVICE NATIONAL PARK (CROATIA)

We'll leave Mostar first thing in the morning to cross the border back into Croatia. On the way, and very close to Mostar, you can make a stop in the town of Medjugorje, a popular Catholic pilgrimage destination. Afterwards, we'll continue on the motorway towards Plitvice National Park. (Note: The fastest route includes some tolls and will take you about four hours). If you have time, we definitely recommend a visit to Plitvice National Park, a paradise of limestone pools, lakes and waterfalls, declared a UNESCO World Heritage Site. No matter what time of year you decide to visit, the landscapes are always breathtaking. Marvel at the scenery at one of the most important eco-friendly sites in Central Europe! Overnight stay in Plitvice.

DAY 4 · PLITVICE NATIONAL PARK - ZAGREB (CROATIA)

The drive from Plitvice to Zagreb takes between 2¼ and 3 hours, depending on the traffic. Take advantage of your trip to Zagreb to savour delicious dishes such as turkey with "mlinci" (flatbread), the typical "štrukli" (cooked or baked cheese pastry) or "sa zeljem krpice" (braised pasta with shredded cabbage). Overnight stay in Zagreb.

● DAY 5 · ZAGREB (CROATIA) - LJUBLJANA (SLOVENIA)

Today we will wake up in the beautiful Zagreb.

The capital of Croatia will surprise the traveler for his inexhaustible vitality, its spirit, its interesting proposals of local designers, its important historical, cultural and artistic heritage... We encourage you to walk by its historic center, which is reminiscent of a proud past and the splendor lived with the Austro Hungarian Monarchy; to discover its beautiful and mysterious courtyards full of amazing art galleries and charming cafes... With its 20 theatres, 30 museums, 45 galleries and 13 art collections, this mythical city of central European elegance entertains travellers with an attractive schedule of entertainment for all tastes and budgets.

Later in the morning, we'll set off to the neighbouring country of Slovenia, specifically to its beautiful capital popularly known as the "City of love and dragons", which is located about 143 kilometres away, with 131 of them by motorway. Romantic, manageable, affordable, modern and laid-back, the city of Ljubljana welcomes the traveller with open arms. Here we'll savour some delicious cuisine and discover one of the most beautiful old towns in Europe. Take a leisurely stroll through this city crossed by the Ljubljanica River and explore its many charming attractions such as the Castle, the Cathedral of St. Nicholas, Preseren Square, the charismatic Bridge of the Shoemakers, churches and baroque houses, Tivoli park, and the Central Market... At night, soak up the genuine atmosphere in its bustling medieval squares located in the old quarter.

Overnight stay in Ljubljana.

● DAY 6 · LJUBLJANA (POSTOJNA CAVES AND PREDJAMA CASTLE / BLED - BOHINJ) (SLOVENIA)

More time to enjoy this pocket-sized European capital.

Its attractive cultural offer -the city offers works by young and talented artists and interesting galleries and cultural activities- and the mark left on the streets of the different historical stages and the masterful Slovenian architect Joze Plečnik bring to the city a unique atmosphere, surprises and many comparisons with the beautiful city of Prague.

More time to explore Slovenia now.

Lying around 45 kilometres from the capital are two other jewels of the country: the medieval castle Predjama, built inside a cave at a height of 123 metres and the mysterious refuge of rebel Erazem of Predjama; and the incredible caves of Postojna, the largest and most visited karst stalactite system in Europe and which can be toured on a train (both visits are not included). An alternative excursion will take you to the rustic city of Bled, gateway to the stunning Julian Alps. A picture-postcard location famous for its glacial lake surrounded by mountains. Nestled at the foot of the Triglav massif, its fairytale landscapes invite you to stroll leisurely and forget about the madding crowd. We recommend sailing over to the small island in the lake to unearth the secret hidden inside. After driving for around 25 minutes through beautiful natural landscapes, we'll arrive at Lake Bohinj, another quirk of nature. To get some amazing photos, we suggest climbing the 975 metres on the cable car. The spectacular natural setting of the glacial lake captivates even the most discerning traveller. Now back to the capital, we'll have more time to spend at the many cafes, pubs and bars lining the banks of the River Ljubljanica and guaranteeing laid-back evenings at a good price.

Overnight stay in Ljubljana.

● DAY 7 · LJUBLJANA (SLOVENIA) - ZADAR (CROATIA)

After enjoying the charms of Ljubljana, we set course for Croatia. We re-enter Croatian lands to discover the ancient and lively city of Zadar, a must-visit to learn about the cultural identity of the Croatian people. Despite having been bombed in World War II, and again by the Serbs in the 1990s, the city still retains a special atmosphere, outstanding traditions and an interesting old quarter packed with attractions. Sights to be checked out include its two cathedrals, the Roman Forum and its Archaeological Museum, the bustling Narodni Trg (People's Square), the ancient heart of Venetian Zadar... The city is full of cute cafes, lively bars and good restaurants to sample local delicacies such as Pag lamb, Maraschino liqueur or "šokol" from Nin... And in the evening, admire one of the most beautiful sunsets in Croatia from its promenade, where you'll also see the architectural installations of "Sea Organ" and "Greeting to the Sun", two symbols of the city. Overnight stay in Zadar.

● DAY 8 · ZADAR - TROGIR - SPLIT (CROATIA)

After a leisurely stroll around the vibrant city of Zadar, we'll head off on an interesting journey that will take us to places full of history and legends.

Our first stop will be Trogir, where we'll discover a charming all-stone citadel declared a World Heritage Site by UNESCO and considered one of the most fascinating places in the Mediterranean. Located on an island linked to the mainland by bridges, it has a beautifully-preserved old quarter that can be seen in about 750 steps.

After driving about 29 kilometers we will be arriving to Split.

Croatia's second largest city will amaze you with one of Europe's most stunning old towns. The lively, maze-like Diocletian's Palace complex each year attracts tourists from all corners of the world.

Declared a World Heritage Site along with part of the old quarter, this gigantic royal complex is home to trendy bars, interesting art galleries and elegant courtyards... Besides the palace, the city entices travellers with beautiful coastal scenery, a lively promenade (Riva), chic avenues such as Marmontova and squares with Viennese charm such as Trg Republike...

Overnight stay in Split.

● DAY 9 · SPLIT - DUBROVNIK (CROATIA)

After enjoying the attractions of the city we'll head off to the south of Dalmatia.

You can choose to take the road through the beautiful waterfront towns of Omiš, Brela, Baška Voda and Makarska and enjoy the sea air and authentic charm of the fishing villages along the sensational Dalmatian coast (about 3 to 4 hours' drive). We'll end the day in the captivating city of Dubrovnik.

Overnight stay in Dubrovnik.

● DAY 10 · DUBROVNIK (CROATIA)

During the day, we can continue discovering the charms of Dubrovnik, such as its bustling main street Stradun, the Sponza and Rector palaces, the Minčeta tower, the Lovrijenac fort, or the baroque church of St. Blaise... Later in the morning, we can choose from various trips out to delightful places such as Cavtat or the Trsteno Arboretum. Another option is to drive to neighbouring Montenegro, where we recommend a visit to Perast, with the famous islet of Our Lady of the Rocks, or the town of Kotor, famous for the Cathedral of St. Tryphon. Back to Dubrovnik, we recommend taking the funicular that leads to Mount Srđ, where we can enjoy beautiful sunsets. The perfect finale to an unforgettable journey. Overnight stay in Dubrovnik.

- Bosnia And Herzegovina is a Muslim country and the month of Ramadan is of major significance to its residents. During Ramadan, entertainment and alcohol will be restricted in most of the country. The sale of alcohol will be restricted in many places, although some establishments will offer alcohol for sale to tourists. During this period, local businesses may also have shorter opening hours.
- - Driving in the Republic of Slovenia. Important: vignette required on motorways. To drive on Slovenian motorways, you must have a valid electronic vignette. Please note that rental cars do not always include this automatically, so it is essential to check with the company before starting your journey. If you are entering Slovenia from a neighbouring country, you must ensure that you have a valid vignette before using any section of motorway. Driving without one may result in financial penalties. Regulations, vignette types and conditions are subject to change, so we recommend that you always check the latest official information before travelling or confirm the details with the car hire company when you collect the vehicle.

- Please make sure you have a valid passport for this tour as we'll be crossing several international borders.
- You must give notice that you are going to cross the border while collecting the vehicle. Authorisation may be required to drive through certain countries or areas/states (as is the case in the US and Canada). Depending on the conditions set out in the rental contract and the company hired, you might be charged a surcharge payable at the destination office.
