IBIZA: the party island par excellence, home to thrilling nightlife and much, much more! Thanks to its stunning landscapes, it is also a UNESCO World Heritage Site. Sparkling and crystal-clear waters lap stunning beaches of all kinds: pebble beaches, sandy beaches, hedonistic beaches and off-the-beaten-track beaches.

FORMENTERA: an authentic paradise island from tip to tip. An example? Illetes beach was voted the sixth most beautiful beach in the world in 2014. It is blessed with white sands and turquoise waters, while the Posidonia prairies lining the seabed here are also a World Heritage Site. Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
