Hong Kong, Bali and Singapore

Hong Kong is one of the economic motors of China and its most modern city. Hong Kong is a city that never sleeps, a city with dozens of entertainment and cultural sites, with dozens of markets and street markets, and a skyline that leaves cities like New York behind. Known as the Island of the Gods, Bali is an island paradise that has much to offer its visitors. Green paddy fields, ancient temples, unforgettable sunsets, local art and culture, ancient dances, attractive landscapes and the world's best hotels are some of the highlights of the island. Tour the Singapore river by boat, eat at a hawker, see the skyscrapers from Merlion Park, visit Little India, walk through Chinatown and enjoy a drink at Clarke Quay; these are some of the experiences you can have in Singapore.
