

French Polynesia, 13 Days · Tailor-made including beach holiday

Tahiti, Moorea and Bora Bora

Beyond the seas, in the heart of French Polynesia, located in the South Pacific, lie the Îles de la Société (Society Islands), a French overseas territory in the form of an archipelago that includes some of the most beautiful islands on the planet. The largest is Tahiti, which encompasses some 1,042 km² of true earthly paradise. Discover the black sand beaches of the east coast, the white sand beaches of the west coast, the lush valleys, and the majestic circular peaks that make this destination a true journey to the center of nature. Don't miss its charming and enigmatic Aboriginal culture, such as its "marae," the pre-Christian sacred sites delimited by stones or wooden posts called "pair," its enchanting dance performances known as "ori," and its traditional music concerts. In its bustling capital, Papeete, you'll find everything from refined restaurants and nightclubs to vibrant and colorful markets, interesting museums, shops selling black pearls—one of the archipelago's star products—and all kinds of shops.
