

Australia and New Caledonia, 10 Days · Tailor-made including beach holiday

Sydney and Noumea

Sydney is a city of many contrasts where you can get to know the essence of modern day Australia. In addition to the opera or the bridge, there are many places that stand out like the neighborhood of The Rocks, or Las Rocas, one of the most traditional of the city. Here you can find everything from attractive restaurants and shops, to sumptuous art galleries where you can enjoy interesting exhibitions. No visit to Sydney is complete without a visit to its beautiful beaches, Bondi or Manly. Also worthy of special attention are Chinatown in the city; the port; the Art Gallery of New South Wales ... And strangely enough, in the city are many places with great natural charm such as the Royal Botanic Gardens in the city and Hyde Park are the two places that stand out the most.

And what about New Caledonia and its exotic capital? Noumea is a coastal city that will enchant you with its two beaches: the Baie des Citrons (Bay of lemons) and Anse Vata (Vata Beach). In this city, many different ethnicities mix: Melanesian, Polynesian, Asian and French. Through their stories, their cuisines, their music and literature, you will discover how rich and diverse the culture in Caledonia is today.

Important remarks

- Triple rooms in Oceania are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.

- Hotels in New Caledonia are basic.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
