

Australia and Fiji, 10 Days · Tailor-made including beach holiday

## Sydney and Viti Levu

Sydney is a city of many contrasts where you can get to know the essence of modern day Australia. In addition to the opera or the bridge, there are many places that stand out like the neighborhood of The Rocks, or Las Rocas, one of the most traditional of the city. Here you can find everything from attractive restaurants and shops, to sumptuous art galleries where you can enjoy interesting exhibitions. No visit to Sydney is complete without a visit to its beautiful beaches, Bondi or Manly. Also worthy of special attention are Chinatown in the city; the port; the Art Gallery of New South Wales ... And strangely enough, in the city are many places with great natural charm such as the Royal Botanic Gardens in the city and Hyde Park are the two places that stand out the most.

And, finally, the exotic Fiji, an ideal destination for honeymooners in the midst of paradise thanks to the diversity of its coral reefs, the richness of its marine fauna, its turquoise waters with fine sandy beaches and its mild tropical climate.
