DAY 1 · CITY OF ORIGIN - BILBAO

Flight departure from the city of origin to Bilbao and rental car pick-up.

Industrial, artistic, edgy, culinary, urban, redeveloped... Bilbao welcomes us with open arms. Its joie de vivre, its fabulous culinary universe, its excellent museums and its amazing ability to combine its past life of furnaces with Art Nouveau treasures, baroque and contemporary monuments and buildings designed by the world's most famous architects make this city a truly unique place.

Must-visits include its iconic Guggenheim Museum, designed by Frank Gehry; the lively Paseo de Abandoibarra, a boulevard shared by tourists, locals, runners and families alike; the imposing Isozaki twin towers, and the bustling Azkuna Zentroa, a former wine warehouse converted by Philippe Starck into the place to see and be seen...

In this first leg of the tour, we'll discover a welcoming Bilbao that invites you to stroll along its Ría and cross the Vizcaya Bridge, declared a UNESCO World Heritage Site; wander through its lively old town and "Seven Streets"; sit at a never-ending bar covered with delicious pintxos while enjoying a few txikitos (small glasses of wine); or engage in some retail therapy at its traditional shops...

If you have time, take a trip out to Getxo. The Old Port, the marina and Getxo Aquarium are some of its most interesting attractions. When night falls, discover the authentic city from the vantage point on Mount Artxanda or experience some of its amazing nightlife.

Overnight stay in Bilbao.

DAY 2 · BILBAO - SAN SEBASTIÁN

Departure from Bilbao to continue on this coastal tour. On the way to San Sebastián, admire the verdant landscapes flanking the motorway. After driving just over an hour we'll arrive at our destination.

Romantic and majestic, San Sebastián will captivate us with its chic atmosphere, one of the most beautiful bays in Spain, the Instagram-ready Concha beach and its vibrant cultural agenda structured around the Kursaal and the recently-opened Centro Tabakalera, which earned it the title of European Capital of Culture 2016... Buildings such as the Hotel Maria Cristina, the Teatro Victoria Eugenia, the City Hall or the La Perla Spa remind travellers of the splendour of the belle époque when this city was the summer destination of choice for the upper echelons of European royalty and aristocracy. San Sebastián is a city for walking, fine dining, relaxing and enjoying life. Known as the world capital of the pintxo, its Parte Vieja is peppered with traditional restaurants and taverns where you'll enjoy a truly gastro experience.

And that's just the start of the trip.

You choose whether to sail around the bay in the summer months, to visit the famous Aquarium, to watch the waves breaking from the Paseo Nuevo, to experience the bracing Cantabrian Sea while admiring Eduardo Chillida's "Peine del Viento" sculpture, or to enjoy a candlelit dinner on the waterfront...

Then we'll enter the French Basque Country, visiting the exquisite towns of Saint-Jean-de-Luz and Biarritz. Here we'll discover the ever-so-chic French Atlantic Coast made fashionable in the nineteenth century by the Empress Eugénie. Located around 40 kilometres from San Sebastián, Biarritz rewards us with six kilometres of beaches popular with surfers; famous spas to escape from the madding crowd; the idyllic Grande Plage and the luxurious Hotel du Palais; the golden mile of the Avenue Edouard VII; the "chocolat chaud" at the historic Café Miremont; and incredible panoramic views from the Pointe Saint Martin lighthouse. ● DAY 4 · SAN SEBASTIÁN - ZARAUTZ - GETARIA - ZUMAIA - MUTRIKU - ONDARROA - BILBAO

This is one of the most Instagram-ready stretches of the Euskadi coastline.

We'll be able to admire a rugged salt-scented coastline dotted with beautiful wild beaches surrounded by steep cliffs, stone-built villages seemingly lost in the emerald green mountains, and picturesque fishing villages with heaps of history...

And, between stops, we'll be able to sample the excellent local cuisine.

Once in Zarautz, we'll find a 3.5 km beach that attracts surfers from around the world, a lively old town and some very interesting Gothic and Renaissance buildings.

After a short drive along a beautiful seafront road - considered one of the best roads in the world according to a list made by a leading car rental company - we'll reach Getaria, an former whaling village that is the birthplace of Juan Sebastián Elcano, the first sailor to circumnavigate the earth 500 years ago, and which now endears itself to travellers with its historic harbour, renowned fish restaurants and the Cristóbal Balenciaga Museum. From Getaria there's an almost mythical coast road which leads to the fishing village of Zumaia, linked forever to the painter Ignacio Zuloaga, and its beaches beneath the amazing Flysch cliffs... After driving through green valleys lined with Txakoli vineyards, we'll return to the coast to explore towns with a truly Basque flavour, such as Mutriku and Ondarroa.

Back on the road and it isn't long until nature surprises us again. This time with a protected area covering 12 kilometres of extensive sandbanks. It's commonly known as the Urdaibai Biosphere Reserve. A true delight to the senses. (We recommend entering from the coast, along the Laga and Laida beaches). A unique natural environment that is complemented by the magical Oma Painted Forest by the artist Agustín Ibarrola, and the cave of Santimamiñe (Kortezubi), declared a World Heritage Site. - The proposed excursions and tours for each day are purely suggestions, as you can tailor the trip to suit your times, tastes and needs.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- To pick up your rental car, you'll need a credit (not debit) card in the name of the person who made the booking, who must also be the named driver of the vehicle.
