Important remarks

- Babies up to 2 years old in Croatia must share the bed with adults. In case you need a cot, or any other additional service, you will have to request it at each hotel and it will be a direct payment.
- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- During congresses and special events, the confirmed hotels and other accommodations may be different to those indicated.
- During the circuit by Europe, only one suitcase and one carry-on bag per person are allowed.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- The most appropriate inter-island transport shall be arranged, weather permitting.
- The order of the itinerary may be altered for logistical reasons, without prior notice, but no scheduled trips will be cancelled (except in the case that adverse weather conditions prevent its realisation).
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Prices are calculated based on admission fees to the sights as of the date of publication. If there is an increase

in these prices, you will be promptly informed.

- If you are a person with reduced mobility, please contact us to confirm the suitability of the trip.

- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
