## Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
