

China, 13 Days · Tailor-made, fully flexible travel

Beijing, Xian, Shanghai and Hong Kong

Take a tour of Beijing at your own pace, where we invite you to try the most amazing cuisine; Xian, where the Terracotta Army will leave you speechless; the majestic city of Shanghai with its contrasts between ancient and modern; and Hong Kong, a city that never sleeps, a city with dozens of leisure and cultural stops, with dozens of markets and street markets, and a skyline that challenges the likes of New York.

Departure date: Departures from July 2026 till June 2027

Important remarks

- Triple rooms in China are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Please check with your international vaccination centre about the recommended healthcare measures in China.
- Depending on the return flight, the trip may be one day longer.
- On domestic train journeys within China, regulations stipulate that only one spray with a maximum capacity of 100 ml may be carried in luggage.
- In China, with regard to external batteries (powerbanks), whether travelling by train or by plane, it is mandatory that they are certified under the CCC (China Compulsory Certification) in order to be allowed on board.
- Triple rooms in Asia are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
