Important remarks

- Triple rooms in Vietnam are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Please check with your international vaccination centre about the recommended healthcare measures in Vietnam.
- Depending on the return flight, the trip may be one day longer.
- **NEW ENTRY REQUIREMENT FOR VIETNAM:** Please be advised that the Vietnam Immigration Department will introduce a new entry requirement to streamline the arrival process; effective from 1 July 2026, in addition to the Pre-Arrival Card, all visitors will also be required to complete a Health Declaration Form prior to their arrival. The procedure consists of accessing the official portal (<https://prearrival.immigration.gov.vn/>), completing the digital form, submitting the information online, and saving the confirmation along with the QR code on a mobile device.
- Triple rooms in Asia are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- Triple rooms in Cambodia are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Please check with your international vaccination centre about the recommended healthcare measures in

Cambodia.

- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
