

US and French Polynesia, 12 Days · Tailor-made including beach holiday

Los Angeles, Tahiti and Bora Bora

Stuck in popular imagination with a photogenic star pose and gestures. So that's how we get to know Los Angeles, even before we have been. Referring to all levels, great, hateful, tolerant, brash and absolutely essential. Meretriz of culture, popcorn dispenser and wonderful moments in the light of the big screen. Here everything is possible because everything has happened, from motels with frayed carpets and VIP hotels. Where the blonde waitresses hide a dream.

FOR COUPLES

EXOTIC

Beyond the seas, in the heart of French Polynesia, located in the South Pacific, lie the Îles de la Société (Society Islands), a French overseas territory in the form of an archipelago that includes some of the most beautiful islands on the planet. The largest is Tahiti, which encompasses some 1,042 km² of true earthly paradise. Discover the black sand beaches of the east coast, the white sand beaches of the west coast, the lush valleys, and the majestic circular peaks that make this destination a true journey to the center of nature. Don't miss its charming and enigmatic Aboriginal culture, such as its "marae," the pre-Christian sacred sites delimited by stones or wooden posts called "pair," its enchanting dance performances known as "ori," and its traditional music concerts. In its bustling capital, Papeete, you'll find everything from refined restaurants and nightclubs to vibrant and colorful markets, interesting museums, shops selling black pearls—one of the archipelago's star products—and all kinds of shops.

Known as the "romantic island," on Bora Bora you can admire the hibiscus trees on the hills and valleys of Mount Otemanu, enjoy perfect white-sand beaches, dive into the deep blue waters, discover one of the most beautiful lagoons on the planet, boasting infinite shades of blue and teeming with magically colored fish and coral... in short, the ideal place to rest and relax. And it's also home to a number of exciting activities, including snorkeling, scuba diving, fishing, cruises, jet skiing, kite surfing, paddleboarding, canoeing, 4x4 tours, hiking, and even an unforgettable helicopter flight!

Important remarks

- Tips in US are a common practice.
- Generally in US the accommodation in the triple rooms have two double beds or one double and one single bed and the quadruple accommodation has two double beds.
- Consult the entry restrictions and additional requirements for people who have previously traveled to destinations such as Cuba, Iran, Iraq, Yemen, Syria, etc.
- Hotels may charge a Resort Fee charge that must be paid directly at the destination. The amount can vary between approximately \$15 and \$65 per room per night. This charge is indicative and may be modified depending on the establishment's policy.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- Triple rooms in Oceania are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
