

Around the World, 17 Days · Tailor-made including beach holiday

Kuala Lumpur, Sydney, Hawaii and New York

A perfect combination that will allow you to know Malaysia, Australia and the United States through its main cities.

As for the Malaysian capital, Kuala Lumpur, we can say it is the largest city in the country and one of the most modern cities in Southeast Asia. It has skyscrapers, a suspended monorail system and other cutting edge public transport systems who share the same space with an exquisite colonial centre of low houses; antique cars, street stalls and heavy traffic.

Sydney, where you can visit the wonderful opera house.

Oahu, also known as "the Meeting Place", is famous for having many of the best beaches in Hawaii, including Lanikai Beach, considered the best beach in the United States.

And New York, the economic and cultural capital of the world. Their environment and way of life are unique.
