

Malaysia, Singapore and Indonesia, 15 Days · Tour including beach holiday

Kuala Lumpur, Singapore, Lovina, Candidasa, Ubud and Beaches of South Bali

Malaysia's capital, Kuala Lumpur, is the country's largest city and one of the most modern in Southeast Asia. Skyscrapers, suspended monorail systems and other state-of-the-art public transport systems share the same skyline with an exquisite colonial centre of low-rise houses, old cars, street stalls and heavy traffic.

Cruising the Singapore River by boat, eating at a hawker, seeing the skyscrapers from Merlion Park, visiting Little India, walking through Chinatown and having a drink at Clarke Quay are just some of the experiences you can have in Singapore.

This classic itinerary takes you through the most important points of an island that, for many, is a paradise in Southeast Asia: the temples of Tanah Lot, Ulun Danu and Besakih; rice terraces and waterfalls that break the silence; enclosures that centuries ago were used to impart justice or pay homage to the ancestors... And all of this surrounded by impressive landscapes where the green hardly loses its prominence.
