Bangkok, Chiang Rai, Chiang Mai and Koh Samui

If there's one country that never fails to fascinate its visitors and make them fall in love with its natural beauty, its historical tradition, its culture and its people, it's Thailand. In this package we give you the opportunity to find out why. In Bangkok you'll be immersed in the history and spirituality of the royal tradition, while being surprised and fascinated by the modernity of one of the most avant-garde cities in Asia. In Chiang Rai you'll enjoy the Golden Triangle, magnificent rides on a traditional boat; and in Chiang Mai you'll visit the temples most revered by the Thai people. A complete package to discover why the Kingdom of Siam has always fascinated us. And finally Koh Samui, the stunning island where coconut plantations stretch down to the sea.
