

Singapore and Indonesia, 14 Days · Tour including beach holiday

Singapore, Lovina, Candidasa, Ubud and Gili Islands

Cruising the Singapore River by boat, eating at a hawker, seeing the skyscrapers from Merlion Park, visiting Little India, walking through Chinatown and having a drink at Clarke Quay are just some of the experiences you can have in Singapore.

This classic itinerary takes you through the most important points of an island that, for many, is a paradise in Southeast Asia: the temples of Tanah Lot, Ulun Danu and Besakih; rice terraces and waterfalls that break the silence; enclosures that centuries ago were used to impart justice or pay homage to the ancestors... And all of this surrounded by impressive landscapes where the green hardly loses its prominence.

The Gili Islands make up a small archipelago of three remote islands belonging to Indonesia, a vacation destination that has gained momentum in recent years. In the largest, Gili Trawangan, you can enjoy a great atmosphere, boat parties and dinners with unforgettable views. Gili Air, the second in size, is an ideal destination for diving and snorkeling among corals, exotic fish and turtles. The smallest, Gili Meno, is a true haven of peace, perfect for a total disconnection, to go as a couple or for a honeymoon. Do not miss its dreamy sunrises and sunsets, you will remember them forever.
