

Thailand, 15 Days · Tailor-made including beach holiday

Bangkok, Chiang Rai, Chiang Mai, Phuket and Phi Phi

Bangkok is one of the most westernised Asian cities. In the Thai capital you can enjoy environments that are as much exotic, as diverse and sometimes, even contradictory. You will enjoy touring the hundreds of markets that invade the city, tasting its spicy culinary specialties or visiting some of its many colourful temples. Dare to get lost in its bustling and chaotic streets and enjoy the friendliness of its people.

In Chiang Rai, the Golden Triangle awaits you, traditional boat rides, visits to tribes and unusual museums, such as the one dedicated to the culture of opium.

In Chiang Mai you can have the experience of exploring the jungle, going down the river on bamboo rafts, visiting temples revered by the Thai people, touring natural sites and visiting sustainable agriculture projects.

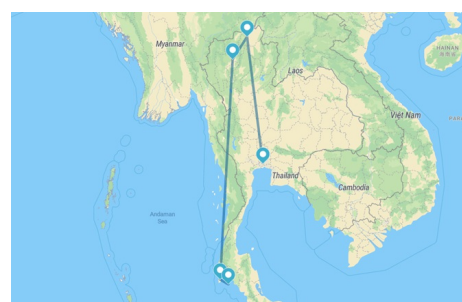

And for relaxation?

The beaches of Phuket, the island with the most possibilities for discovering amazing seascapes and fully enjoying the tropical nights.

The beaches of Phi Phi, a set of small islands with steep cliffs and wild nature ideal for those days of summer holiday that you need to relax.
