

Greece, 7 Days · Tailor-made including beach holiday

Mykonos and Skiathos by plane

Mykonos is probably the most famous island in all of Greece. Its arid landscape and surrounded by incredible white sand beaches, typical of the Cyclades islands, makes it absolutely special. The island owes its fame to the beauty of the capital, the white houses and the labyrinth of its steep alleys that cut through the villages, zigzagging down to the many beautiful beaches. It is a very busy island, known for its inexhaustible nightlife full of fun.

And finally, a few days of relaxation on the beaches of fine white sand, lined with pine forests and eucalyptus forests of Skiathos.
