Athens, Mykonos and Santorini by plane, with transfers and rental car

Live this adventure at your leisure and with a rental car.

Athens is the capital of Greece and the center of the political, cultural and economic life of the country. With a history beginning three thousand years ago, Athens is a city filled with archaeological sites, monuments, sculptures and even buildings from the Roman and Byzantine eras. Places of interest here include the Port of Piraeus, Syntagma Square, the National Garden, Monastiraki Square and, if you can spare between eight and fifteen euros to visit some of Athens' tourist attractions, we highly recommend visiting the Ancient Agora, the Choragic Monument of Lysicrates, the Temple of Olympian Zeus, the Acropolis and Kerameikos.

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far as possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.

- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
- To pick up your rental car, you'll need a credit (not debit) card in the name of the person who made the booking, who must also be the named driver of the vehicle.
