Important remarks

- Tips in US are a common practice.

- Generally in US the accommodation in the triple rooms have two double beds or one double and one single bed and the quadruple accommodation has two double beds.
- Consult the entry restrictions and additional requirements for people who have previously traveled to destinations such as Cuba, Iran, Iraq, Yemen, Syria, etc.
- Hotels may charge a Resort Fee charge that must be paid directly at the destination. The amount can vary between approximately \$15 and \$65 per room per night. This charge is indicative and may be modified depending on the establishment's policy.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
