

Thailand, 12 Days · Tailor-made including beach holiday

## Bangkok, Chiang Mai and Koh Chang

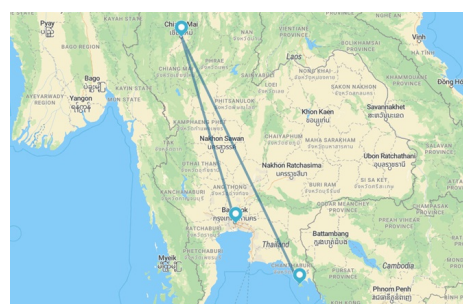

Bangkok is one of the most westernised Asian cities. In the Thai capital you can enjoy environments that are as much exotic, as diverse and sometimes, even contradictory. You will enjoy touring the hundreds of markets that invade the city, tasting its spicy culinary specialties or visiting some of its many colourful temples. Dare to get lost in its bustling and chaotic streets and enjoy the friendliness of its people.

In Chiang Mai you can have the experience of exploring the jungle on the back of elephants, going down the river on bamboo rafts, visiting temples revered by the Thai people, touring natural sites and visiting sustainable agriculture projects.

Also known as "Elephant Island", Koh Chang is known for its fantastic natural beauty and varied wildlife. Koh Chang is a dream come true for beach and nature lovers.
