

China and Malaysia, 9 Days · Tailor-made, fully flexible travel

Hong Kong and Kuala Lumpur

Hong Kong is one of the economic motors of China and its most modern city. Hong Kong is a city that never sleeps, a city with dozens of entertainment and cultural sites, with dozens of markets and street markets, and a skyline that leaves cities like New York behind.

As for the Malaysian capital, Kuala Lumpur, we can say it is the largest city in the country and one of the most modern cities in Southeast Asia. It has skyscrapers, a suspended monorail system and other cutting edge public transport systems who share the same space with an exquisite colonial centre of low houses; antique cars, street stalls and heavy traffic.
