

Thailand, 14 Days · Tailor-made, fully flexible travel

Bangkok, Chiang Mai, Krabi, Phi Phi and Koh Lanta

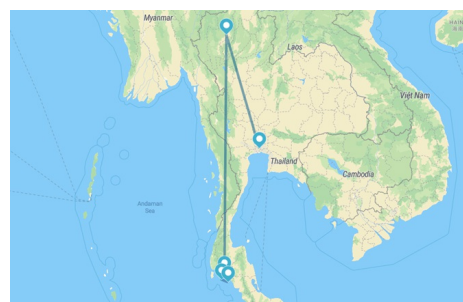

Bangkok is one of the most westernised Asian cities. In the Thai capital you can enjoy environments that are as much exotic, as diverse and sometimes, even contradictory. You will enjoy touring the hundreds of markets that invade the city, tasting its spicy culinary specialties or visiting some of its many colourful temples. Dare to get lost in its bustling and chaotic streets and enjoy the friendliness of its people.

In Chiang Mai, you can experience exploring the jungle, visiting its famous night market, discovering temples revered by the Thai people, and learning about the lifestyle of the country's northern region.

Afterwards, there is nothing better than calling in at the beaches of Krabi, directly in front of which a beautiful landscape dotted with limestone islands unfolds.

The beaches of Phi Phi, a set of small islands with steep cliffs and wild nature ideal for those days of summer holiday that you need to relax.

In Koh Lanta, you can enjoy some well-deserved days of relaxation.
