Vienna and Prague

Vienna is one of the most beautiful and attractive capitals of Europe, famous throughout the world for its tradition of grand and exuberant palace balls to the rhythm of the waltz.

Prague is known as The City of One Hundred Towers and The Golden City. Visiting Prague is like stepping into a fairy tale where countless magical towers are home to patient princesses. The city is cloaked in an overtly medieval atmosphere capable of taking its visitors back to immemorial times and ensuring that they never forget how special a place it truly is.

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
