

Belgium and France, 6 Days · Tailor-made, fully flexible travel

Brussels and Paris by plane

Brussels is the capital of Belgium but also the European capital. It is a city that combines the characteristics of a large city with the charm of small quieter cities.

And in Paris, climbing the Eiffel Tower, walking along the Champs-Élysées and seeing the gargoyles of Notre Dame up close are some of the experiences that remain in the traveler's retina.

Important remarks

- Triple rooms in Europe are generally rooms with twin beds or a double, in which a folding bed is installed to accommodate the third person. Due to the inconvenience this causes, we advise against using this option as far the possible.
- Check-in time at the hotel on the day of arrival depends on each establishment, but in no case will it be before 3:00 p.m., unless otherwise indicated.
- A credit card is considered a guarantee, so sometimes you will need one for check-in at hotels.
- Hotels usually have cots available. Otherwise, babies will have to share a bed with an adult.
- Consult the necessary documentation to enter the destinations visited and for transit in the countries where air stopovers are made.
