Martinique and Saint Martin

Enjoy the combination of these two islands that belong to France.

Martinique: It is one of the best known and belongs to the group called the Windward Islands. It is a very mountainous island with volcanic origin, so you can appreciate an incomparable landscape if you like to enjoy the mountain. **Saint Martin:** Formerly it belonged to the territory of Guadalupe but it became a separate department. It is north of one of the Netherlands Antilles and bears the same name. These islands are an ideal destination for a relaxing holiday enjoying the good weather and the beach and combining it with the adventure of aquatic activities like diving or snorkeling.
